fused
COLLECTION

Unique, vivid and contemporary styles, skilfully handmade by fusing together different colours of molten glass and textured obscure glass.

🇫🇷 L'effet est un dessin moule au doux, apportant au vitrage des couleurs en profondeur et un style vif, contemporain et audacieux.

🇩🇪 Der Effekt ist ein einzigartiges Design mit weichen Übergängen, das die Glasfarbe und die Türrfüllung durchplastische, klare und zeitgenössische Stile lebendig erscheinen lässt.

Please Note: Fused designs are made using molten glass which may contain minor imperfections as part of the creation process which contribute to the unique nature of the design.

Colourgrain & Woodgrain Options

Accessories

Our wide range of door furniture is available in a choice of white, black, gold and chrome colour options and will beautifully complement and personalise your chosen door.

Core Materials

Single MDF

Our door panels are manufactured using advanced technology that bonds two PVC-U skins to a variety of reinforcing materials ensuring the integrity of the panel for heat and moisture. Depending on the degree of security required we offer a choice of reinforcing materials.

Our Type A Expanded Polystyrene is BS 476 Classified, totally recyclable, non toxic and inert. It contains no CFC's or HFC's and contains a fire retardant additive tested to BS 4735, formulated to restrict the extent of burn.

Make it

Personal

Got a favourite image?

Using advanced technology known as direct digital glass printing (DDG) we can take your image and reproduce it directly onto your chosen door style...
...now you really can make a personal statement!

This unique process is weather and fade resistant and fully guaranteed.
